## Committees meet to prepare for College Day

HARSHITA

**CAMPUS:** The third meeting of the College day committee members took place at the conference room on Wednesday at 4 p.m. The meeting was headed by Principal Dr (Fr) Praveen Martis SJ and Rajgopal Bhat, HOD of Chemistry department, who is the teacher in charge of the programme..

-It was agreed in the meeting that for the College day which is scheduled to take place on March 8, the theme would be ecology and environment and there would be focus on the common home for the entire mankind. "This is a very important event for our College. Minute by minute details should be looked into to ensure everything is the best," said Fr Martis. He further recommended to the committee that as March 8 is women's day, the theme of the day should be associated with it.

All the sub-committee members gave a detailed report about the progress of their activities so far. Dr Loveena Lobo, Director of Maffei

Block, who is in charge of the script committee said, "By February 25 the entire script for the programme will be finalised and handed over to the other committees."

All detail of the programme including prize distribution, discipline, invitations, MC and video presentation were discussed in detail by the Deans and the HODs. "We should give more importance to the discipline of the students, because last time there was a lot of commotion in the sides of the stage during the inauguration and this time it should not happen," said Dr A.M. Narahari, the Registrar.

Last year's programme was reviewed so that mistakes would be avoided. "This year we took the theme of environment and ecology as we got the third ranking in Swachh Campus and we are also trying to bring down noise pollution and hence there won't be any Chende to welcome the guests," said Renison Lobo, President of the student council.
