

# **ST ALOYSIUS COLLEGE (AUTONOMOUS)**

**MANGALURU-575003**

**NOTICE**

**07-08-2020**

## **For the information of the newly admitted I year degree (UG) students and their parents**

At the very outset, we would like to accord a warm welcome to each and every one of you to St Aloysius College (Autonomous), Mangaluru. The Management, Staff and students of the College are as excited to meet you as you all are eager to come on campus and meet us. It is unfortunate that we are not able to meet you face to face due to the pandemic.

We would like to thank you for choosing St Aloysius College as the next higher education destination of your academic and career journey. The pandemic has not deterred us, at St Aloysius from engaging in regular academic activities. The entire lockdown period has been effectively used in designing innovative certificate online courses and webinars for the students and the public on very relevant contemporary themes. The College has built a progressive and forward looking public image during the pandemic. Hence the expectations are very high from all our stakeholders. The academic programmes have to start online in spite of the spike in covid-19 cases.

We, At Aloysius believe that learning is a continuous process and a longer pause or break in academics would adversely affect the already internalized learning rhythms of students. In this context, it is advisable that we bring our children back into their regular learning rhythms without much delay.

Keeping this principle and the expectations of all stakeholders in mind, the College has decided to begin the online classes for the newly admitted undergraduate I degree students from **Monday, 24 August, 2020** with an **Intensive Orientation Programme** to the College and various aspects of the curriculum and campus culture. We expect that all students attend these classes without fail and familiarize with the College and its expectations.

All details regarding the conduct of online classes will be informed to you from time to time by the College authorities.

**Don't be afraid. Take precautions.**

**Rev. Dr Praveen Martis, SJ - Principal**
