

You must learn to adjust in a multicultural society, youth told

Ravi Pasavanike

Prof Gopa Kumar speaking at Samprathi 2019.

NAFEESA SHAJA

CAMPUS: In a multicultural society, it is important that the youth learn to adjust and live in harmony, Prof. Gopa Kumar, Vice Chancellor of Central University Kasargod has said.

He was speaking after inaugurating the two-day national seminar, Sampruthi, organised by the department of Social Work here on Wednesday.

“Our country is a multicultural society. This society has many social issues. And it is important that the youth are focussed in everything that they do and respond to these issues adequately,” Prof. Kumar said.

He further added: “The average population of the country is young and there are three main areas which we need to focus on social change. They are: providing education,

health care and infrastructure both physical and social for the youth in the country.”

He further added that every action has a skill which need to be developed by the youth. Thus is possible as the family culture in India is very strong.

Speaking on the occasion, Dr (Fr) Praveen Martis SJ, Principal, said: “It was a great day for us in St Aloysius College celebrating national seminar on youth as a catalyst in social change. The topic chosen by the department is very relevant in current scenario. The true meaning of the word ‘catalyst’ is a substance which helps in increasing the rate of reaction, but itself doesn’t get consumed.”

The seminar started with a prayer song “Carry Your Candle”. Kratika and Anns Tom gave a dance performance.

Govt to take call on relief in income tax at appropriate time: Anurag Thakur

THE HINDU

NEW DELHI: The government will take a decision on raising the income tax exemption limit at an appropriate time, Minister of State for Finance Anurag Thakur said on September 26.

Last week, the government lowered the corporate tax to 22% from 30% and there has been a clamour for raising income tax exemption limit to push demand and consumption with a view to fuel economy.

“When the time arises to take a call on it (income tax relief), the government will do so. The government in the past has also increased (the limit) from Rs2.5 lakh to Rs5 lakh. In future, whenever the time arises, we will look into the matter,” he said here.

With regard to curbs on Punjab & Maharashtra Co-operative Bank (PMC Bank) by the RBI, the Minister said the central bank has its own role in the country and it does its job well.

“After considering all aspects they (RBI) will take a decision so that it benefits both customers and the bank,” he said.

Anurag Thakur

The central bank on Tuesday put a slew of restrictions on the Mumbai-based lender, creating panic among thousands of depositors.

Major restrictions include capping withdrawal at Rs 1,000 per customer during the six-month period, and banning the bank from extending new loans. The lender has around Rs 11,000 crore of public deposits.

With regard to Antigua Prime Minister Gaston Browne reiterating that Mehul Choksi may be extradited to India after he exhausts all legal options available with him.
