HISTORY OF THE COLLEGE

Welcome to St Aloysius College (Autonomous), Mangaluru.

St Aloysius College was awarded the Autonomous Status in June 2007. The Autonomous Status was further renewed in the year 2012. The Autonomous status has the freedom to determine and prescribe its courses of study and syllabi. It has its own rules of admission in conformity with the State Government Policy. Moreover, it has evolved its own methods of assessment of student attainment, conduct of examinations and declaration of results. There will be sufficient freedom to use innovative tools in teaching - learning process and experiment with methodologies in learning. The degree will be awarded by the Mangalore University.

The College traces its origins to 1880 when European Jesuits who landed in Mangalore three years earlier had started a college for the education of the Mangalorean Catholic Youth.

In the course of a hundred and forty two years, St Aloysius College has travelled a significant distance. In 1880, functioning in a single building in 1880 it was only an higher secondary school. But today, the world of St Aloysius College includes in its grand sweep a plethora of buildings.

The College has undergone the third cycle of NAAC Accreditation and has been accredited with 'A' grade with the grade point average of 3.62/4, one of the highest in the state. It is ranked 95 in College Category - 2021 under NIRF. It is recognized as a Centre for Research Capacity Building under UGC - STRIDE Scheme and also recognized under DBT - BUILDER Scheme. It is conferred by DBT as College with "STAR STATUS". The College is recognized by UGC as "College with Potential for Excellence". It is ranked at 22 for the Science stream by 'The Week Magazine'.

This Prospectus is designed to help and guide you to plan your education in this College. In this handbook, you will find:

- Necessary information about the College and Courses available.
- The Choices available for you in the course selection.
- The Rules and regulations regarding admission during the academic year 2022-2023.
- Other facilities available in the campus.

For additional information and clarifications, you are welcome to approach the College Office during working hours (9.00a.m. - 12.45p.m. & 1.45p.m. - 4.45p.m.). It should be noted that merely applying online and submitting the hard copy of the application to the College does not mean that you have the right of admission to the College.

VISION & MISSION

This premier institution, more than 142 years in its existence, has been at the service of the youth of Mangaluru and its environs, as an educational institution run by the Mangalore Jesuit Educational Society, for the education, formation and professional preparation of young people of all castes, creeds and communities, without any discrimination. However, as a minority institution, it gives priority to the empowerment of the Christian community. And as an institution run by the Jesuits, it places a special accent on preference towards the underprivileged.

We are sure that you would be extremely curious to know what is in store for you in these vast, sprawling and monumental edifices in the campus at St Aloysius College, Mangaluru.

At the very outset, we would like to tell you that we firmly believe, that education means helping the learners in realizing their self-worth by respecting their individuality. Hence, the ultimate goal of education is the overall development of the student's personality. All endeavors in the process of education that happen at St Aloysius, are geared towards achieving this primary goal of education.

While we are committed to achieve and instill in students a burning zeal for academic excellence, we earnestly and consciously pursue rigorously the objective of making our students socially sensitive, committed to the cause of the

marginalized and compassionate towards the less fortunate ones of the society.

Our Patron, St Aloysius Gonzaga is an inspiration and exemplar for all who come to this campus. Born in a noble family and brought up in relative comfort, this medieval young Italian soon grew tired of living in the lap of luxury, and offered himself to the service of the poor and the destitute by joining the Jesuit Order. He died at the age of 23, charity and service of the poor, having contracted plague while ministering to the plague stricken, in Rome. His integrity for life, his inner strength, his noble ideals, his self-discipline, his immense compassion and his tremendous concern for the poor are held up for emulation, by our students.

Drawing our inspiration from our Patron, and in accordance with the teaching of the Founder of the Jesuit Order, St Ignatius Loyola, we, on this Campus, aim at the integral formation of youth, striving to form individuals who are academically competent, morally strong, artistically accomplished, physically fit, socially concerned and personally balanced. Those who pass out of this institution are to be men and women for others, living nobly, acting justly, believing deeply, relating humanely and walking rightly in the presence of the Divine, and thus becoming critically reflective, intellectually creative, ethically exemplary, socially responsible and response-able persons empowered with great capacity to contribute to the building up of a more humane and just world where all have access to life in its abundance.

AUTONOMOUS SYSTEM

1. The academic programmes are structured on semester basis. Choice Based Paper is introduced in the 2nd and 3rd Semester in all the courses.
2. The relative importance of subjects of study and activities are quantified in terms of credits and also their overall relative importance.
3. The curricula and question papers are unitized.
4. The declaration of result is based on the aggregate percentage of marks obtained as well as on Grade Point Average earned.

Academic Calendar:

- The odd semesters will commence in July 2022.
- The even semesters will commence within 10 days after the completion of the end semester examinations.
- A semester is of 18 weeks duration.

Assessment/Evaluation:

The assessment will be based on knowledge, intelligence, application, understanding the concept of the subject and creativity.

The continuous internal assessment will have a weightage of 30% and the end semester examinations will have a weightage of 70%.

An aggregate of 35% in internal and end semester exam in each subject is required to pass.

Attendance:

A total of 3 marks are allotted for full attendance. A student is eligible to write the semester examination only when the student has 75% attendance in each subject and in aggregate of all the subjects.

Students who do not have a minimum of 75% attendance will not be allowed to write the examinations. **They have to repeat the semester.**

STUDENTS SEEKING ADMISSION ARE REQUIRED TO SUBMIT THE FOLLOWING CERTIFICATES TO COMPLETE THE ADMISSION PROCESS

Students who have passed Degree exam within Karnataka and within Mangalore University.	Transfer Certificate (Original) Degree marks card - 1 attested copy & attested copy of PU & SSLC mark card. Migration Certificate for students from outside Mangalore University and Provisional Pass Certificate
Students who have done Degree course outside Karnataka	Eligibility Certificate from Mangalore University, Migration Certificate issued by the University under which candidate has studied / passed, Qualifying Marks Card (original & xerox), Transfer Certificate (original) & attested copy of SSLC and PU marks card.
Foreign students	Eligibility Certificate, Migration Certificate, Qualifying marks card (original & xerox), Student Visa, AIDS free Certificate by competent authority, Residential permit & Registration certificate from Commissioner of Police Mangalore & Foreigners Regn. Office.

P.S. : Application for applying Eligibility Certificate is available in our Book Store.

GENERAL REGULATIONS

Students shall observe the General Regulations and other rules of discipline printed in the College Hand Book and those framed from time to time. In particular:

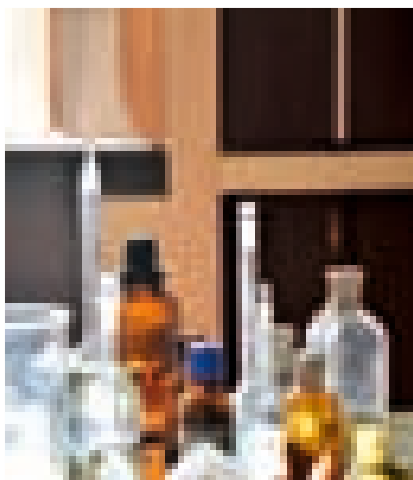

- Students must be neatly dressed in accordance with the rule of approved etiquette. The decision of the Principal in this regard is to be accepted.
- Every student should possess an Identity- Card which should be produced whenever asked for, by any staff member of the College.
- Punctuality and regular attendance is insisted upon. Leave of absence from College should be applied for and obtained beforehand. Unforeseen absence must be justified on return to the College. Absence from the College Examinations and at the reopening of classes after the holidays will not be tolerated. The students will not be admitted until their parents meet the Principal personally and explain the absence.
- Students should not join any Club or Society or make any engagement, that may interfere with their regular studies in the College. They are not allowed to play in any team against the College.
- Students should not take part in any political agitation directed against the lawful authority of the Government. They are also forbidden to engage prominently in any public movement without permission from the Principal.

Every PG student must spend ONE week of compulsory Village Exposure Programme organised by the College

- The College, though not responsible for the conduct of its students outside its premises, will take cognizance of any serious misconduct of its students committed outside its premises.
- Students are required to live with parents, relatives, guardians or in hostels approved by the College Authorities. Early in the first term every student shall fill in a slip giving particulars of his place of residence in Mangalore.
- Attendance at classes and examinations, progress as well as conduct of the student will be taken into consideration while recommending students for merit certificates, concessions, scholarships, freeships, higher studies and employment.
- Those who indulge in ragging or encourage it will be dismissed from the College.
- Use of mobile phones are strictly prohibited inside the College buildings.
- No candidate will be permitted to appear for the end semester examination unless he/she fulfils the requirements of good conduct and progress in studies. A minimum of 75 % attendance is a must in each subject.
- **Eligibility Criteria for all PG programmes are strictly as per Mangalore University regulations.**

(www.mangalaoreuniversity.ac.in)

M.Sc. (BIOTECHNOLOGY)

Objectives of the Program:

- To provide state-of-the art knowledge and skills in the field of Biotechnology.
- To provide industry and research organization with a sustained stream of skilled individuals having adequate qualification packs to attain National Occupational Standards.
- To have a positive impact on human and animal health, agriculture and environment in the region.

Program Content:

FIRST SEMESTER

Theory and Practical

- Biochemistry and Metabolism
- Microbiology
- Cell and Molecular Biology
- Electives:**
- Molecular and Human Genetics
- Immunology

SECOND SEMESTER

Theory and Practical

- Genetic Engineering
- Enzymology
- Electives:**
- Research Methodology, Ethics and Scientific Communication
- Analytical Techniques in Biotechnology
- Quality Assurance and Quality Control in Product Development – Open Elective

THIRD SEMESTER

Theory and Practical

- Animal Biotechnology
- Plant Biotechnology
- Electives**
- Industrial Biotechnology
- Environmental Biotechnology
- Clinical Drug Development and IPR – Open Elective

FOURTH SEMESTER

Theory and Practical

- Food Biotechnology
- Molecular Diagnostics and Immunotechniques
- Clinical Research, IPR and Patents
- Project Dissertation/ Industry Internship

Highlights of the Program:

- Recognized as Centre for research in Biotechnology by Mangalore University.
- One among the 17 Institutions selected for the Govt. of Karnataka's, (KITS) sponsored Biotechnology Skill Enhancement Program (BiSEP).
- Three research laboratories for Ph.D scholars.
- Plant tissue culture and animal cell culture rooms.
- CPCSEA registered Animal house, Green house.

Eligibility Criteria:

Candidates who have passed the three/four years Bachelor degree examination of Mangalore University or any other University considered as equivalent thereto with Life Science subjects provided they have studied Chemistry/Biochemistry as one of the major/optional/subsidiary subject and have secured a minimum of 45% marks (40% in case of SC/ST/Category-I Candidates) in aggregate excluding languages and Group III subjects are eligible for the programme.

For more information contact:

The Principal or Dr Shreelalitha Suvarna, HOD

Mob: 9964215205

M.Sc.(BIOCHEMISTRY)

Objectives of the Program:

- To empower students to understand the concepts in the field of Biochemistry.
- To facilitate students to acquire theoretical and practical skill for successful career in academia, industry and research.
- To encourage innovation and creativity among students and to foster the spirit of research and entrepreneurship to contribute positively to the progress of the society.

Program Content:

FIRST SEMESTER

Theory

- Biomolecules
- Biochemical Techniques
- Organic & Physical Biochemistry
- Physiology & Nutrition
- General Microbiology

Practical

- Bioquantitation
- Analytical Techniques
- Experimental Microbiology

SECOND SEMESTER

Theory

- Enzymology
- Metabolism
- Research Methodology & Ethics
- Biotechnology
- Neuro Biochemistry
- Biochemistry of Diseases (Open Elective)

Practical

- Practical Enzymology
- Practical Biotechnology

THIRD SEMESTER

Theory

- Molecular Biology
- Nitrogen Metabolism & Plant Biochemistry
- Cellular Biochemistry
- Clinical Biochemistry
- Evolution and Ecology (Open Elective)

Practical

- Cell & Molecular Biology
- Metabolism and Clinical Biochemistry

FOURTH SEMESTER

Theory

- Immunology
- Molecular Genetics
- Genetic Engineering & Bioinformatics
- Clinical Toxicology
- Food Biochemistry

Practical

- Project
- Methods in Genetic Engineering & Bioinformatics
- Experiments in Food Science

Highlights of the Program:

- Creating a positive impact on human and animal health, agriculture and environment in the region.
- Well equipped laboratories including animal and plant cell culture rooms.
- Animal house facility.
- State of art Equipments.
- Funded Research Projects: VGST, Govt. of Karnataka. DST, DBT Govt of India

Eligibility Criteria :

Candidates who have passed the three year B.Sc. degree Examination of Mangalore University or any other University considered as equivalent thereto with Biochemistry/Chemistry as optional/major/Special subjects or PCM with minimum of 45% (40% for SC/ST/ Category-I candidates) marks are eligible for the programme provided they have studied Biology as major/optional/minor/special/subsidiary subject either at B.Sc. or at PUC/ Higher Secondary level.

For more information contact :

The Principal or
Dr Lyned D Lasrado, HOD

Mob: 9686021928

Office : 0824- 4117701/2

M.Sc. (ANALYTICAL CHEMISTRY)

Objectives of the Program:

- To impart sound knowledge and analytical expertise in the subject.
- To enthuse students towards research in chemistry.
- to enable the students to develop analytical and creative abilities required in the industry.
- To enable hands on training in the usage of industrially important analytical equipment's.

Program Content:

FIRST SEMESTER

- Inorganic Chemistry
- Organic Chemistry
- Physical Chemistry
- Principles of Analytical Chemistry & Separation Techniques
- Bioorganic Chemistry
- Research Methodology & Ethics
- Inorganic Chemistry Practicals - I
- Organic Chemistry Practicals - I
- Physical Chemistry Practicals - I

SECOND SEMESTER

- **Open Elective:** Analytical Techniques
- Advanced Inorganic Chemistry
- Advanced Organic Chemistry
- Advanced Physical Chemistry
- Molecular Symmetry & Spectroscopy
- Chemistry of Biomolecules
- Inorganic Chemistry Practicals - II
- Organic Chemistry Practicals - II
- Physical Chemistry Practicals - II

THIRD SEMESTER

- **Open Elective:** Optical methods of Analysis
- Molecular Spectroscopy
- Organometallic, Bioinorganic & Co-ordination Chemistry
- Electroanalytical Radiochemical & Thermoanalytical Techniques
- Medicinal Chemistry
- Computer for Chemist Practicals
- Analytical Chemistry Practicals -I
- Analytical Chemistry Practicals - II
- Analytical Chemistry Practicals -III

FOURTH SEMESTER

- Organic Synthetic Methods
- Spectroscopic Methods of Analysis
- Chemistry of Polymers & Natural Products
- Analytical Chemistry Practicals -IV
- Analytical Chemistry Practicals -V
- Project Work
- Applied Analysis and Automation
- Radiation and Photochemistry
- Seminar

Highlights of the Program:

- Recognized as research centre by Mangalore University with Five faculty members as PhD guides under the same.
- Fostering an interest towards the subject through innovative programs, online diplomas and certificate courses.
- Focus on student centric learning with special emphasis on providing training for competitive examinations that pave way for higher studies and better job opportunities.
- Well equipped laboratories & Placement in reputed companies like Biocon, AstraZeneca, Syngene, BASF, Cipla.
- Study tour to industry and research centers.

Eligibility Criteria:

Candidates who have passed the three year B.Sc degree examination of Mangalore University or any University considered as equivalent thereto with Chemistry as optional/major/Special subjects with a minimum of 45% (40% for SC/ST/ Category-I candidates) marks in the subjects are eligible for the programme provided they have studied Physics and Mathematics as optional/major/ special/minor/subsidiary subjects either at B.Sc. or at PUC/ Higher Secondary level.

For more information contact :

The Principal or Dr Ronald Nazerath, HOD, Mobile: 9448154267

M.Sc. (CHEMISTRY)

Objectives of the Program:

- To employ best teaching methodologies which focuses on integrating Theoretical facts with practical hands-on training.
- To enthuse and orient students towards research in chemistry.
- To enable the students to develop analytical and creative abilities required in the industry.
- To enable hands on training in the usage of industrially important analytical equipment's.

FIRST SEMESTER

- Inorganic Chemistry
- Organic Chemistry
- Physical Chemistry
- Principles of Analytical Chemistry & Separation Techniques
- Bioorganic Chemistry
- Research Methodology
- Inorganic Chemistry Practicals - 1
- Organic Chemistry Practicals - 1
- Physical Chemistry Practicals - 1

SECOND SEMESTER

- **Open Elective:** Spectral methods of analysis
- Advanced Inorganic Chemistry
- Advanced Organic Chemistry
- Advanced Physical Chemistry
- Molecular Symmetry & Spectroscopy
- Chemistry of Biomolecules
- Inorganic Chemistry Practicals-II
- Organic Chemistry Practicals - II
- Physical Chemistry Practicals - II

THIRD SEMESTER

- **Open Elective:** Bio-Inorganic Chemistry, Green Chemistry and Environmental Chemistry
- Molecular Spectroscopy
- Organometallic, BioInorganic & Co-ordination Chemistry
- Electrochemistry, Electro and Thermo - Analytical Methods
- Medicinal Chemistry
- Computer for Chemist Practicals
- Inorganic Chemistry Practicals - III
- Organic Chemistry Practicals - III
- Physical Chemistry Practicals - III

FOURTH SEMESTER

- Radiation and Photochemistry
- Organic Synthetic Methods
- Chemistry of Polymers & Natural Products
- Solid State and Nanochemistry
- Inorganic & Organic Chemistry Practicals -IV
- Optical Methods of Analysis
- Project Work
- Seminar

Highlights of the Program:

- Recognized as research centre by Mangalore University with Five faculty members as PhD guides under the same.
- Fostering an interest towards the subject through innovative programs, online diplomas and certificate courses.
- Focus on student centric learning with special emphasis on providing training for competitive examinations (KSET, NET, GATE) that pave way for higher studies and better job opportunities.
- Well equipped laboratories & Placement in reputed institutions & companies like Biocon, AstraZeneca, Syngene, BASF, Cipla.
- Study tour to industry and research centers.

Eligibility Criteria:

Candidates who have passed the three year B.Sc degree examination of Mangalore University or any University considered as equivalent thereto with Chemistry as optional /major/Special subjects with a minimum of 45% (40% for SC/ST/ Category-I candidates) marks in the subjects are eligible for the programme provided they have studied Physics and Mathematics as optional/major/special/ minor/subsidiary subjects either at B.Sc. or at PUC/ Higher Secondary level.

For more information contact :

The Principal or Dr Ronald Nazerath, HOD

Mobile: 9448154267

M.Sc. (MATHEMATICS)

Objectives of the Program :

- Impart training in Mathematics to meet the need of industry and academia
- Research exposure in the field of Pure and Applied Mathematics.
- To impart sound knowledge in the subject.
- To provide skills in its applications in the field of Mathematics

Program Content:

FIRST SEMESTER

- Algebra I
- Linear Algebra I
- Real Analysis I
- Graph Theory
- Fluid Mechanics/Operations Research/Ordinary Differential Equations

SECOND SEMESTER

- **Open Elective:** Basic Tools in Mathematics
- Algebra II
- Linear Algebra II/Lattice Theory
- Real Analysis II
- Research Methodology & Ethics
- Computational Lab I (Using FOSS)

THIRD SEMESTER

- **Open Elective:** Differential Equations and Applications
- Complex Analysis I
- Topology
- Numerical Analysis with Computational Lab (Scilab)
- Commutative Algebra
- Multivariate Calculus & Geometry/ Probability Theory

FOURTH SEMESTER

- Measure Theory & Integration
- Complex Analysis II
- Project work
- Functional Analysis
- Partial Differential Equations/Algebraic Number Theory/Cryptography/Distribution Theory
- Computational Lab II (Using FOSS)

Highlights of the Program :

- Guest lectures will be arranged from eminent mathematicians and personnel from renowned institutions.
- Regular seminars for the students in the subject area.
- Training for the competitive examination like UGC-NET and GATE.
- Computational Lab Courses

Eligibility Criteria:

Candidates who have passed the three year B.Sc. degree examination of Mangalore University or any University considered as equivalent thereto with Mathematics as major/ optional/Special subjects are eligible for the programme provided they have secured a minimum of 45% (40% for SC/ST/ Category-I candidates) marks in Mathematics.

For more information contact :

The Principal or
Ms Anupriya Shetty, HOD
Mobile : 9611496024

M.Sc. (PHYSICS)

Objectives of the Program:

- To imbibe and impart scientific knowledge
- To enable students to enter the field of scientific research, teaching & industry
- To give opportunities to students for all round development
- To make students develop skills in teaching Physics as a subject.

Program Content:

FIRST SEMESTER

Theory Papers:

- Mathematical Physics - 1
- Classical Mechanics
- Classical Electrodynamics
- Electronics

Practicals:

- General Physics Experiments I
- Electronics Experiments I

SECOND SEMESTER

Theory Papers:

- **Open Elective :** Bio Physics
- Mathematical Physics II
- Quantum Mechanics I
- Research Methodology
- Condensed Matter Physics – I
- General Physics Experiments II
- Electronics Experiments II

THIRD SEMESTER

Theory Papers:

- **Open Elective :** Experimental Techniques
- Quantum Mechanics II
- Condensed Matter Physics – II
- Relativity and Cosmology
- Optics
- Thermodynamics and Statistical Physics
- General Physics Experiments-III
- Computational Physics Practical- I

FOURTH SEMESTER

Theory Papers:

- Atomic and Molecular Physics
- Nuclear and Particle Physics
- Project
- Communication Theory
- Lasers, Vacuum techniques and Nonlinear Optics
- Condensed Matter Physics – III
- Nuclear Structure
- General Physics Experiments IV

Highlights of the Program:

- Comprehensive syllabus which includes core and modern topics.
- Problem oriented teaching to enhance fundamentals and applications.
- Computational physics practicals.
- Encourage Summer research and Internship.
- Has an observatory AL SOLARIUM with an advanced 8 inch rotating telescope to observe and study the universe around us.
- A Certificate course in C/C++ Programming as an add on course

Eligibility Criteria:

Candidates who have passed the three year B.Sc. degree examination of Mangalore University or any University considered as equivalent thereto with Physics as major/ optional/Special subjects are eligible for the programme provided they have studied Mathematics as optional/major/special/minor/subsidiary subject for at least two years and secured minimum of 45% (40% for SC/ST/ Category-I candidates) marks in Physics and Mathematics.

For more information contact :

The Principal or
Dr Chandrashekar Shetty, HOD
Ph : 94482 49153

M.Sc. (FOOD SCIENCE & TECHNOLOGY)

Objectives of the Program :

- To expose the student to the vast scope of Food Science and Technology as a theoretical and experimental science with applications in solving most of the problems of farmers and food industry
- To Emphasize the discipline of Food Science and Technology to be the most important branch of science for pursuing the interdisciplinary and multi - disciplinary higher education and/or research in interdisciplinary and multi - disciplinary areas.
- To acquaint the students with technologies of food processing and preservation techniques for plant and animal foods and enable to understand the national and international food laws and regulations for food safety and management as well as importance of food engineering and packaging in food industry.
- To accentuate the importance of Food Science and Technology as the most important discipline for sustaining the existing industries and establishing new ones to create job opportunities at all levels of employment.

Program Content:

FIRST SEMESTER

Theory

- Food Chemistry
- Principles of Food Processing & Preservation
- Fruits & Vegetable Processing Technology
- Processing of Milk & Dairy Products
- Waste Management & Environmental Sustainability

Practical I

- Food Chemistry and Principles of Food Processing & Preservation

Practical II

- Fruits and Vegetables Processing Technology & Processing of Milk & Dairy Products

THIRD SEMESTER

Theory

- Food Microbiology
- Nutraceuticals & Functional Foods in human health
- Basics of food safety & labelling (Open Elective)

Practical V

- Food Microbiology & Nutraceuticals & Functional Foods in human health

Practical VI

- Project work/Dissertation

SECOND SEMESTER

Theory

- Food Process Engineering & Instrumentation
- Processing Technology of cereals, pulses & oil seeds
- Spices & plantation crops technology
- Research methodology & Bio statistics
- Essentials of Food Science (Open Elective)

Practical III

- Food Process Engineering & Instrumentation

Practical IV

- Processing Technology of cereals, pulses & oil seeds & spices & plantation crops technology.

FOURTH SEMESTER

Theory

- Meat, Fish & Poultry Processing technology
- Food Packaging
- Food Biotechnology
- Food safety & quality control

Practical VII

- Meat, Fish & Poultry Processing technology

Practical VIII

- Food Biotechnology
- Food safety & quality control

Eligibility criteria :

Candidates who have passed the three years B.Sc. degree examination of Mangalore University or any other University considered as equivalent there to with a minimum of 45% (40% for SC/ST/Category-I candidates) marks in aggregate Excluding Languages and Group III Subjects are eligible for the programme provided they have studied Chemistry/Biochemistry and Any Two of the following optional/major/ special subjects:

Home Science, Horticulture, Forestry, Environmental Science, Botany, Biotechnology, Microbiology, Pharmacognosy, Zoology and Physiology.

Candidates who have passed Bachelor degree examination in Food Technology, Food Science, Food Science and Technology, Food Nutrition and Dietetics, Food Technology and Management, Food Technology and Quality Assurance, Food Science and Quality Control, Food and Agricultural Microbiology, Food Microbiology, Microbiology, Horticulture, Dairy Science, Dairy Technology, Fishery Science, Food Engineering and Engineering Biotechnology with 45% (40% for SC/ST/Category-I candidates) marks in aggregate excluding Languages and Group III Subjects are also eligible.

UGC recognized B.Vocational graduates in Food Processing & Engineering with 45% (40% in case of SC/ST/Category - I Candidates) marks in aggregate excluding Group III Courses are also eligible.

Highlights of the Program:

- State of art laboratories.
- Industrial visits and study tours.
- Curriculum is designed in such a way that student get training in all aspects of food processing.
- Hands-on practical training, research and skill training of students.

For more information contact :

The Principal or
Dr S.N. Raghavendra, HOD
Mob:9945888845

M.Sc. (FOOD SCIENCE, NUTRITION AND DIETETICS)

Objectives of the Program

- Invent a platform conducive enough for students to learn and imbibe themselves with core understanding and research skills on fundamental advancement of the principles and concepts in Food Science, Nutrition and Dietetics.
- Develop outcome base learning by facilitating practical learning of the subject through experiments and research performed in designated laboratories or through field studies and correlating data acquired with theoretical knowledge.
- Impart and developed professional skills among the learners
- To foster professional research and development and also specialized them to imbibe professional competencies in teaching as well as government and public service and entrepreneurship.

Program Content:

FIRST SEMESTER

- Food Chemistry
- Principles of Food Processing & Preservation
- Human Nutrition
- Human Physiology
- Essential of Micro nutrients

Practical

- Food Chemistry & Principles of Food Processing & Preservation
- Human Nutrition & Human Physiology

SECOND SEMESTER

- Clinical and Therapeutic Nutrition
- Dietetics
- Research Methodology & Bio Statistics
- Nutrition through life cycle
- Basic Nutrition (Open Elective)

Practical

- Clinical and Therapeutic Nutrition & Nutrition
- Through life cycle
- Dietetics

THIRD SEMESTER

- Food Microbiology
- Nutraceuticals & Functional Foods in Human Health
- Health & Fitness (Open Elective)

Practical

- Food Microbiology & Nutraceuticals & Functional Foods in Human Health
- Project work/Dissertation/Internship

FOURTH SEMESTER

- Nutritional Bio Chemistry
- Community Nutrition
- Sports Nutrition
- Food Safety & Quality Control

Practical

- Nutritional Bio Chemistry & Food Safety & Quality Control
- Community Nutrition

Highlights of the Program:

- Food Nutrition and Dietetics is a study concerned with all technical aspects of food, beginning with harvesting to consumption, an ideology commonly referred to as "from field to fork".
- It has more challenging in the field like space nutrition and Nutrigenomics industries and various other related areas.
- It is considered distinct from the field of nutrition.
- Nutrition also called nourishment or aliment is the provision, to cells and organism, of the materials necessary (in the form of food) to support life.
- It is very valuable and carrier orienting one that provides many opportunities to the degree holders after its successful completion.

Eligibility for Admission:

Candidates who have passed the three years B.Sc. degree examinations of Mangalore University or any other University considered as equivalent thereto with a minimum of 45% (40% in case of SC/ST/Category-I candidates) marks in aggregate excluding languages and Group III subjects, are eligible for the programme. Provided they have studied Food nutrition and Dietetics/ Food Science/ Biochemistry/ Chemistry as major subject and one of the following as major/optional /special subsidiary subject are preferred.

Home Science, Horticulture, Forestry, Environmental Science, Biotechnology, Botany, Microbiology, Pharmacognocny, Zoology, Physiology, Human Physiology, Agriculture, Fishery Science and Engineering Biotechnology

B.Sc graduates with Diploma/P.G. Diploma programme or U.G.C. recognized B.Vocational graduates or any graduates from the faculty of Science with PG Diploma programme are also eligible for admission provided they have studied one of the subjects associated with Food Science, Nutrition and Dietetics and also have secured a minimum of 45% (40% in case of SC/ST/Category-I candidates) marks in aggregate excluding languages and Group III subjects at the undergraduate level.

For more information contact :
The Principal or Dr Raghavendra, HOD, Mob: 9945888845

M.A. (ENGLISH)

Objectives of the Course :

- To encourage student interest in International proficiency certifications like BEC, VERSANT
- To keep the students updated on various off-campus recruitments, internships, research opportunities and provide information on the application process

ENTREPRENEURSHIP, INNOVATION AND RESEARCH

Entrepreneurship Cell

E-Cell (Entrepreneurship Cell) aims to assist and promote aspiring entrepreneurs from the stage of ideation to commercialisation of businesses by creating awareness during their Graduate & Post graduate degrees at Aloysius and exposing them to channels of varied opportunities that help nurture the spirit of entrepreneurial thinking, promote business knowledge and instil confidence in budding entrepreneurs.

St Aloysius Incubation Centre (SAIC)

St Aloysius Incubation Centre (SAIC) Mangaluru, a unit of St Aloysius College (Autonomous), Mangaluru has a vision to encourage men and women who have an idea, a product and an ardent desire to realise their dreams of creating and innovating product or services or both for the ultimate benefit of the larger section of the society. It is an initiative set up by Entrepreneurship and Innovation Cell, St Aloysius College (Autonomous) to nurture Innovation and Entrepreneurship culture among the students, faculty, and alumni to enable them to transform their innovative business ideas into reality. The centre aims to cultivate individual talents, skills and personality to give each business the best possible start, thus nurturing Entrepreneurship at a local and national level.

Research

Being one of the premier institutions of higher education in the country the College in realized the importance and need to systematically gear up research activities. As the first step it established the Office of Dean of Research –a separate entity under the direction of the Principal – to promote the research ambience, create and sustain a research culture, motivate staff and students to engage in research activities. The aim is to inspire, guide and coordinate the initiatives of the staff and students towards doctoral and post-doctoral research in the sciences and the humanities. It also aims at completing major and minor research projects, organizing national and international conferences, presentation of research papers and their publication in reputed journals, and similar other research-related matters.

INDUSTRY COLLABORATIONS & INTERNATIONAL COLLABORATIONS

Industry Collaborations

Industry-Academia interaction and MoUs with corporate sectors and research institutions have ensured that students obtain the best possible exposure. Industry representatives are included in the Governing Body, Academic Council and BOS of every department. The College gets first-hand information on the current trends and requirements through the feedback from employers and alumni/ae so that manpower suited to both academia and industry are generated.

International Collaborations

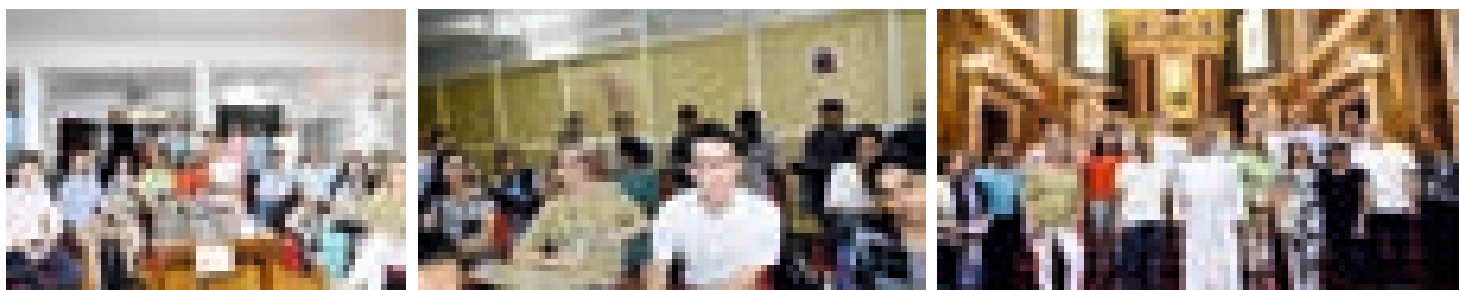

St Aloysius College has drawn 31 MOUs out of which 17 are with universities abroad, in the U.S., Spain, Germany, UK, and New Zealand. Starting in 2016, Management and IT students of St Aloysius have completed add-on courses from a university in the U.S. that has acknowledged the course completion with certificates issued to the students.

Some of our Note Worthy Collaborations are with:

- | | |
|--|-----------------------------|
| • State University Of New York (SUNY) | Cortland, NY, United States |
| • Lindenwood University | Missouri, United States |

U.G.C. REGULATIONS ON CURBING OF RAGGING IN HIGHER EDUCATION INSTITUTIONS.

Notice to students

Sub: letter dated F No -2-29/Anti ragging/ UGC-SWRO/2015-16. DTD 28/9/2015

UGC – Anti Ragging Helpline 1800-180-5522(24x7) Toll Free.

Email: helpline@antiragging.in

“INSTITUTION” means a higher educational Institution, a college, imparting education beyond 12yrs of schooling to a degree.

Ragging means the following:

1. Any conduct whether by words spoken or written or by an act which has the effect of teasing.
2. Treating or handling with rudeness any other student.
3. The effect of teasing, treating or handling with rudeness of any other student.
4. Indulging in rowdy or undisciplined activities which cause or is likely to cause annoyance.
5. Hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student.
6. Asking the students to do any act or perform something which such student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.

PUNISHABLE INGREDIENTS OF RAGGING:

1	Abetment to ragging	8	Criminal intimidation
2	Criminal conspiracy to rag	9	Extortion, Criminal trespass
3	Unlawful assembly & rioting while ragging	10	Offences against property
4	Public nuisance created during ragging	11	Physical & Psychological Humiliation
5	Violation of decency & morals through Ragging	12	Use of criminal force
6	Injury to the body causing hurt or grievous hurt	13	Attempt to commit any or all of the above mentioned against the victim (s)
7	Wrongful restraint, confinement.	14	Assault as well as sexual offences or unnatural offences
		15	All other offences following from the definition of “Ragging”

The U.G.C. D.O.No. F.3.2/2021/(ARC)

Revised Procedure for students (UG/PG) to fill online Anti-Ragging Affidavit to the following websites www.antiragging.in and www.amanmovement.org

How to go to the website and required procedure to be filled

The revised procedure:

Step 1: A student will submit his/her details on the same web sites- www.antiragging.in and www.amanmovement.org as before.

Step 2: The student will receive an e-mail with his/her registration number and web link. The student will forward the link to the e-mail of the Nodal Officer in his/her university/college.
(The student will not receive PDF affidavits and he/she is not required to print and sign it as used to be the case earlier).

Step 3: The Nodal Officer in the university/college can click on the link of any forwarded e-mails that he/she will receive from any student of his/her college to get the list of those students who have submitted Anti Ragging Affidavits/Undertakings in his/her college. The list will be updated every 24 hours.

ACTION BY THE COLLEGE

As per the above mentioned conduct, any individual or group of students belonging to the institution, indulge in this action inside or outside the campus & while commuting is punishable as per the provisions of the Act of central & state Governments, which is considered ragging as a cognizable offence under the law on par with atrocities against women, all ill-treatment to person belonging to the marginal section of society.

All information regarding this issue, shall be given to the below mentioned authorities in person or in writing or through suggestion box. All details will be kept confidential and appropriate actions will be taken as per the law.

Nodal Officer: Dr Roshan Monteiro

St Aloysius College Alumni Association (SACAA)

St Aloysius Institutions have seen generations of students pass through its doors. It has become known for its contributions to society. Once an Aloysian, always an Aloysian, as the saying goes.

The aim of the St Aloysius College Alumni Association (SACAA) is to bridge the gap between the College and its alumni. It started as an Old Boys Association in 1901 and was later registered as SACCA in 1991. In the year 2000, SACAA was incorporated under the Society Act. The presidency of the association was passed to the laity in 1991. More than 14,000 graduates have joined the association as life members. The goal is to bring alumni and students together and create an environment where alumni can help students by providing encouragement and motivation.

SACAA assists students in reconnecting with classmates, old acquaintances, and teachers. Through SACAA, students may reminisce, share news, rebuild friendships, and possibly form business partnerships. As a result, SACAA urges students to register as Alumni and become members of the Association.
